Dear Edgebrook Swim Club & Swim Team Supporter,

Our 2026 swim season is underway, and we hope you will join us!

Edgebrook Swim Club is located in the Edgebrook subdivision off Vandora Springs Road at 1503 Kenbrook Drive in Garner. The pool is home to the 8 time champion swim team of the Southern Metro Swim League (2010-2015, 2017, 2021-2022) Edgebrook Eels. During the swim season several home meets are held at Edgebrook Swim Club. The pool is open to members from Memorial Day weekend to Labor Day Monday.

Our swim club is now offering a sponsorship package that will promote your business or personal/swim family pride:

- \$300- The creation of a 2.5' x 4' banner that will include your business logo and information or supportive message. The banner will be prominently displayed, in a highly visual area, on our chain linked fence that surrounds the pool. Your business/name will also be mentioned at every home swim meet prior to the start of the competition and a link to your webpage will be highlighted on the Swim Club's website. In addition, we will also place your name/business on the back of the swim team's t-shirt. **This banner will be displayed all year.**

Edgebrook pool is used for both recreational swimming and competitive swim meets with other area pools; therefore, there will be a wide variety of potential customers seeing your banner, hearing your name, or seeing it displayed on shirts throughout the season. Your business will receive inexpensive advertising, and our swim club receives the proceeds to cover the costs of pool maintenance and upgrades that keep members coming back year-after-year.

If you have any questions or are interested in becoming a 2026 Sponsor, feel free to email us at edgebrookpool@gmail.com. Thank you for your support of the Edgebrook Eels Swim Team and Edgebrook Swim Club.

Sincerely ,
